2011 Strategic Plan Update

COUNCIL ACTION ITEMS

- ▣ Maintain six minute Response Times to incidents.
 - ▣ Current Overall Average 5.8
 - ▣ Response time to South West portion of City which is now populated 12+ minutes

2011 Strategic Plan Update

COUNCIL ACTION ITEMS

Provide Public Education Classes to all Elementary Schools in West Valley

- During 2011, we were able to reach all Elementary Schools
- Provided Juvenile Fire Program as requested

CURRENT ISSUES

- ❖ Safety Equipment Needs:
 - ❖ Protective clothing is not able to be replaced on a regular basis. Clothing replacement needs to be every 5 years.
 - ❖ Current rescue tools are inadequate for newer vehicles and the addition of increased mass transit.
- ❖ Fire Station upgrades:
 - ❖ Apparatus cannot fit into facilities.
 - ❖ Sleeping areas need to be separated.
 - ❖ Restroom and shower facilities need to be upgraded.
- ❖ Southwest Station:
 - ❖ The response times to this area have maintained but still above 10 minutes to this area.

Metro Fire Update

- ▣ Joint purchasing has saved money and agency is increasing areas we can share in joint purchasing.
- ▣ State of Utah recognized the Search and Rescue Task Force – Utah Taskforce 5
- ▣ Implementation and training for the Incident Management Team.
- ▣ Continued with shared resources and coverage in the Metro Organization.

Metro Fire Statistics

- Total firefighters = 475
- Fire stations = 25
- Population served = 340,000
- Calls for service = 40,500

Accomplishment Review

- * Completed the update and implementation of the city-wide disaster plan.
- * Boy Scout Merit Program Monthly.
- * Satellite Haz-Mat Unit to the West side of the city.
- * Upgraded the department training to meet the current needs and national standards.
- * Instituted a new customer service program in the department.
- * Completed training and certification for new K-9.
- * Increased the CERT training in the city.
- * Upgrade in Self Contained Breathing Apparatus.
